

DEMENTIA

Relate, motivate and appreciate:

Restoring meaningful engagement with persons living with dementia in care. For family carers of persons living with dementia. Funded through the Alzheimer's Australia National Quality Dementia Care Initiative.

FREE FAMILY CARER WORKSHOP

Date: Monday 5th August 2013, The Woolstore Hobart
Wednesday 7th August 2013, The Tramsheds Launceston

Time: Seminar starts 9.00am - 4 pm
Morning & afternoon tea & light lunch provided

This project is led by Monash University in collaboration with Alzheimer's Australia Vic. The project is developing a Montessori activities book for consumers, along with a supporting DVD and website.

Dr Camp's current research involves:

- Use of Montessori-based activities as rehabilitative interventions to enable long-term care residents living with dementia to effectively lead activities for other residents with dementia;
- Interventions to enable therapists to apply memory improvement techniques during the course of therapy with persons living with dementia and other cognitive impairments; and
- The use of cognitive rehabilitation via telecommunication to enable persons living with cognitive deficits to adhere to medical regimens.

RSVP by Friday 19th July to Tracey Armstrong on 6279 1100

Fax: 6228 3031
